

SAVINGS

Planning ahead can save your group a lot of money. Registering early and taking advantage of the accommodation room blocks that have been reserved will result in money saved. Savings can also be realized by pre-packing and preparing food for your group. Getting creative can save your students hundreds of dollars. Check out some fundraising ideas on the website.

CHAPERONES

It is recommended that each church bring at least one female chaperone for every 7 girls and one male chaperone for every 7 guys. It is the responsibility of each local church to provide adequate supervision. All chaperones must be at least 19 years of age.

Leaders and sponsors are responsible for the behaviour of their youth and should know where they are at all times. Groups should sit together if possible and chaperones should sit with their youth when dispersed through the crowd.

It is vital during any ministry time that YOUR leaders minister to YOUR youth. Also, let us collectively do our best to embrace Biblical patterns of worship, prayer, and seeking the Lord.

DRESS MODESTLY

Consideration of others is the underlying principle here. This goes for all areas of behaviour. Guys are to wear pants or shorts of reasonable length, and shirts or t-shirts. Girls are to wear pants or shorts of reasonable length, and blouse or t-shirt (no tube, halter, or other immodest tops). Please have your group members bring APPROPRIATE clothing. Many varied Christian backgrounds are represented at this event. You will want your group to be a blessing rather than a stumbling block. Let Romans 14:13-19 be a guide.

SECURITY AND SAFETY

As Overflow is held on private property, we will enforce our policies for the safety of all attendees. The grounds are patrolled by the Overflow security team. Our guidelines are set for the benefit of everyone who attends. All Overflow delegates are expected to cooperate with our policies, staff, and security.

Firearms, weapons (fake or otherwise), alcohol and drugs will not be allowed, at any time, at the Waterloo Memorial Recreation Complex. All offenders will be prosecuted to the full extent of the law. During speaking or concert sessions, we ask that you would refrain from disruptive activities. Anyone who is seen exhibiting behaviour dangerous to themselves, or to others, will be removed from the arena area. For obvious reasons, bikes, roller-skates, rollerblades, skateboards, water balloons, and related devices are not allowed inside the WMRC arena.

FIRST AID

A trained First Aid staff will be onsite to handle minor medical problems.

EXHIBITORS AND VENDORS

There will be many organizations represented at Overflow as exhibitors and vendors. These booths will be located along the upper track in the WMRC arena. We encourage you to stop by the booths during the conference. Please note that the only organizations allowed to distribute materials are those operating booths that have been approved by the Overflow office prior to the event. No other material is to be distributed, sold, or posted. If you are interested in hosting a booth and would like information on fees and guidelines, please check out the website or call us at 905-637-5566 ext. 205. The Overflow Booth will be the place to visit for event info and Overflow products and paraphernalia.

SESSION CDS AND DVDS

All general session and seminar messages will be recorded and available to order onsite on CD. All general session messages will be recorded and available to order onsite on DVD. Order forms will be available at the Overflow Booth and online after the conference. Video cameras and/or tape recorders are not allowed to be used during general sessions, seminars, or concerts. Please ensure that your group abides by these guidelines.
